SUMMARY

Bilingual Full-Stack Web Developer with a keen passion for Front-End Development. Meticulous, dependable, and enthusiastic about providing users with a seamless user experience. Eager to dive deeper into the tech industry.

TECHNICAL SKILLS

Languages: HTML/CSS, JavaScript, React

Tools: Npm, Bootstrap, NodeJS, ExpressJS, Git, Heroku, MongoDB, VS Code, Figma

PROJECTS

Game Hunt | github.com/Seifenan/Project-3-game-hunt | project-3-game-hunt.herokuapp.com

- **Summary:** Created a search engine with an interactive design to view and save new or old video games to a user profile. Developed using MERN stack single-page application with a focus on data and user demand.
- **Tools:** MERN stack, Mongoose, GraphQL, Heroku, RAWG API
- **Collaborative Project - Role:** Built the front end using React and styled using Bootstrap. Researched and incorporated RAWG API calls to the search functionality.

iFitNut | github.com/Seifenan/Project-2-iFitNut | ifitnut.herokuapp.com

- **Summary:** This app provides the health-conscious individual with a tool to record fitness progress, view personal historical data and email recorded results, remaining motivated in reaching goals.
- **Tools:** Figma, HTML/CSS, JavaScript, jQuery, Node JS, Express JS, MySQL, Sequelize, Handlebars JS, Nodemailer
- **Collaborative Project - Role:** Created design mockup and prototype on Figma. Built the front-end using Handlebar HTML and basic CSS

MVC Tech Blog | github.com/Seifenan/C14-MVC-Tech-Blog | c14-tech-blog.herokuapp.com

- **Summary:** This is a CMS-style blog site that follows the MVC paradigm. It utilizes handlebars.js, sequelize, and the express-session package to deliver a platform where developers can post, edit, and delete blog posts, and comment on other developers' posts.
- **Tools:** Heroku, Handlebars JS, MySQL2, Sequelize, express-handlebars, express-session, dotenv, bcrypt.
- **Unilateral Project - Role:** Built from scratch. Referenced similar class assignments for inspiration.

RELEVANT EXPERIENCE

Computer Teacher (*part-time*)

2019 – Present

Razi School

Woodside, NY

Maintain the school's technological equipment and systems. Teach an introductory course to high school students in Front-End Development technologies such as HTML, CSS, vanilla JavaScript, Git & React. Prepare lesson plans introducing basic computer science terminology and functionality with a concentration in Microsoft Office for fourth – eighth Grade.

ADDITIONAL EXPERIENCE

Licensed Real Estate Salesperson (*part-time*)

2018 – Present

Urban Living International

New York, NY

A focus on short-term furnished rentals in Manhattan and Brooklyn. Create virtual tours of apartments using the Matterport software and equipment. Employ customer satisfaction and follow up efforts above and beyond to ensure clients return.

EDUCATION
